Dear Customer:

In order to apply for water service with Cleveland County Water, you must provide the following information in accordance with Cleveland County Water Rules and Regulations as adopted by the Cleveland County Water Board of Commissioners.

**Picture Identification-State issued Drivers Licensee or State ID Card*

**Proof of Ownership such as Deed, Deed of Trust, Purchase Agreement or Tax Bill for Owners of Land*

**Completed Contract with assigned 911 address and proper signatures (will need to come to the office to obtain)*

**Tap Fee Payment - Currently \$725.00 for ¾" meter, \$1050.00 for 1" meter and \$2500.00 for a 2" meter. Plus, current deposits and application fees. (See current fee schedule.)*

We require all applicants to come to our office to ensure that the right information has been filled out and to obtain a locating flag to place where the meter is to be set. Customer will need to bring all information and payment at the time of making application, if all information is not received, Cleveland County Water will not hold applications for any reason. All new services will be processed next business day.

We request that all applicants call before coming to verify required information that is needed.

Thank you,

Cleveland County Water
