

Cleveland County Water
Five (5) Individual Distribution System Project Upgrades
Request for Qualification for Engineering Services

Cleveland County Water is a Sanitary District located in Cleveland County, North Carolina with over 20,000 active water service accounts and serving a population of approximately 58,000. The District is seeking professional engineering services for the five (5) various distribution system upgrade projects under separate request for qualifications. The work anticipated will be as follows:

- PER (if required by funding agency), Design, bidding and construction oversight of five (5) individual projects as outlined in the request for qualifications.

For a further description of work and the formal Request for Qualifications packets, please see the District's website at www.clevelandcountywater.com under the Finance/Purchasing tab on the left-hand side of the webpage.

Qualifications packages must be submitted as detailed in the Request for Qualifications packet by 2:00 pm on Friday, October 1, 2021 to the attention of:

Cleveland County Water
Attn: Jeff Earl, Operations Director
PO Box 788 Lawndale, NC 28090

Please limit your proposals to 20 pages (not including front or back covers, table of contents and cover letter).

Awards will be made to the responsible and most qualified firm whose qualifications are aligned with the District's project and strategic objectives. Evaluation and selection factors include:

- Familiarity with the project and surrounding area
- Experience with the water system improvement projects and NCDENR funded projects and reports.
- Professional personnel
- Experience
- Availability

The District reserves the right to accept a firm that is most advantageous to the District. Information concerning the project along with scheduling site inspections (should your firm desire) may be obtained by contacting Jeff Earl at jearl@clevelandcountywater.com.

The District is an Equal Opportunity Employer, and encourages small, minority and female-owned businesses to submit qualifications.
