

Part-time Plant Operator

Cleveland County Water (CCW) is a Sanitary District located in Cleveland County, NC. CCW is currently seeking qualified applicants for the position of Part-time Plant Operator. CCW serves public water supply to a population of 50,000 and has over 20,000 active accounts.

The Part-time Plant Operator position is responsible for the following:

Collects water samples; performs standard chemical and biological tests including jar testing; completes lab analysis of treated and untreated water to ensure and improve quality; makes chemical and other adjustments as needed; back washes filters.

Makes regular inspections of plant and equipment to ascertain that it is in proper operation at all times; monitors water plant operations including water flow, chemical feeds, tank levels, generators, pumps, settling tanks, filters, clarifiers, chlorinators, and other equipment.

Changes plant process as necessary to improve plant efficiency.

Reads meters, gauges, and dials and keeps logs of readings; maintains time and temperature logs.

Checks chlorine, pH, and turbidity levels on routine basis during shift; enters results in computer.

Regulates and adjusts motors, pumps, blowers, valves, and other apparatus to meet changing operating conditions as directed by supervisor.

Replaces chlorine cylinders and regulates the flow of chlorine.

Performs general custodial and grounds maintenance work.

Starts and stops pumps as needed for daily usage.

Performs troubleshooting, repair, installation, maintenance, and lubrication on equipment.

Drains and washes out sediment basins.

Prepares reports and other types of correspondence; prepares and maintains files and records.

Performs water quality tests; performs sterility tests on new products.

High school diploma or GED and considerable experience in water treatment plant operations, or equivalent combination of education and experience.

Possession of NC WFOCB Surface Water Treatment Certification and valid driver's license in the State of North Carolina are required.

All interested applicants must complete and return a CCW application which can be obtained from the website at www.clevelandcountywater.com.
